**REQUEST FOR QUALIFICATIONS/PROPOSAL
FOR
DESIGN-BUILD SERVICES**

Lafayette Township Fire Protection District (LTFPD) is seeking design-build services from Design-Build Entities, Firms or Teams for the renovation and construction of an addition to an existing fire station to facilitate growth of the organization located at 4002 Scottsville Road, Floyds Knobs, Indiana.

The LTFPD invites interested firms, partnerships, or teams to submit responses to the required questionnaire by 12:00 noon, local time Friday, September 2, 2011. The required questionnaire and a description of the project can be obtained from and responses are due to:

Jeremy Klein
Operations Chief
Lafayette Township Fire Protection District
P.O. Box 51
4002 Scottsville Road
Floyds Knobs, Indiana 47119
Phone: 812-923-8003
Fax: 812-923-1961
Email: jklein@insightbb.com

Information can be provided in addition to a response to the required questionnaire. All responses will be provided to the LTFPD Operations Chief by electronic means.

The LTFPD Review Committee will review the materials submitted and determine a listing of finalists on Friday September 2nd, 2011 at 12:15 p.m. local time. Three firms will be identified to participate in an interview session. Successful completion of the RFQ process or response to an invited RFP does not guarantee a contract. The recommendation of one or two firms, partnerships, or teams will be presented to the LTFPD Board of Fire Trustees for final approval on September 15th, 2011 at a Board of Fire Trustees Meeting held at 4002 Scottsville Road, Floyds Knobs, Indiana at 7:00 p.m. local time.

LTFPD reserves the right to reject any and all submittals and to waive, to the extent permitted by law, any of the terms, conditions and provisions contained in the Request for Qualifications.
